

Pilot workshops report

Date of the report: 30/06/2022
Date of the workshop: 20 - 21/05/2022
Prepared by: Judo Club Finisterre & Alpha Centre, Spain

1. Implementation (summary), including previous dissemination, place, timing, materials, resources, etc.

The pilot workshops were disseminated through the JFC and Alpha Centre social media to the 4women project target groups. Additionally, invitation was sent via the mailing lists of the both organizations. Previous agreement, the local partners decided to involve not only women, but also men to the activity. Finally, even whole families with children joined the workshops.

The workshops were celebrated between 20th and 21st May 2022 at the installations of JFC in Laguna de Duero. The duration was 4 hours each day, including a break for a brunch the both days.

The trainers who implemented the pilots were the participants in the 4women JST, celebrated in Berlin, Germany.

The methodology explained in each training unit was applied, selecting 1 activity per unit to be tested with the local participants.

For the needs of the civics module were used mobile phones and WIFI connection, required for the planned activity.

2. Participants (profile, number, gender)

Total of 54 people participated in the pilots, from which 30 were women, who signed the assistance list, so to complete with the project requirement.

All beneficiaries were people from the province of Valladolid, mainly from the town of Laguna de Duero and La Cisterniga.

The women involved were in any situation of disadvantage, as unemployed, immigrants, victims of gender violence, drug addicts, and lonely mothers.
